Tuition Fee, College Levy & Sibling Discounts

The Tuition Fees and College Levies are set and collected by Catholic Education (CE) to support the curriculum. This includes the payment of all salaries, all operational expenditure and the CE Levy. Catholic Education administers all System schools in the Archdiocese of Canberra & Goulburn.

If you have more than one child at St Mary MacKillop College or another Systemic ACT secondary college, a discount is offered on the Tuition Fee. Sibling discounts are applied as follows:

Eldest child: Full Fees

Second child in a Systemic College: 20% discount

Third child in a Systemic College: 50% discount

Fourth and subsequent children in a Systemic College: 100% discount

Systemic ACT colleges are MacKillop, John Paul II College, St Clare's College, Merici College and St Francis Xavier College. Siblings in non-Systemic colleges (Daramalan College, St Edmund's College and Marist College) do not qualify for sibling discounts.

Systemic primary schools have a separate sibling discount structure that is applied automatically to primary school invoices. For more information, please contact your primary school directly.

School Facilities Levy

The School Facilities Levy is charged per year, per family to those with students in a Catholic System school within the Archdiocese of Canberra and Goulburn. This levy will be charged by the school of the eldest child. The levy is compulsory and is therefore not tax deductible.

Please note that these fees apply only to 2026.
